Subject: World History

6th Grade

History of the World Homework- Page M1 (I used the MLO School as my location)

Question1- Describe your town or city, using the 5 themes of geography.

3) Location- The school I attend is called the Milton Olive Middle School. MLO is located in Long Island, New York on Garden City Avenue. My school is about 1.5 miles from Straight Path Road.

Regions-The Milton Olive Middle School is located in a region called New York. My school is part of Long Island.

Movement- Goods and merchandise is moved from place to place by trucks. Ideas are moved from place to place by people communicating in conversations, or using technology such as a computer.

Place- The Milton Olive Middle school has a brick school surrounded by flat grasslands. There is a basketball court, baseball field, track, handball courts, and parking lot.

Interaction- At the Milton Olive Middle School changes are being made to the school grounds. Many portable classrooms are going to be set up at the school.

Question2- Name at least one thing that comes into your town or city and one that goes out. How is each moved? Where does it come from? Where does it go?

4) One thing that comes into my town is garbage trucks. Garbage trucks come during the week to collect the pails of garbage. The garbage trucks take the garbage out of my town and bring it to a dump. The garbage is then put on a train and taken out of my town.
