

From the Desk of Mr. Zindman

Dear Parents,

Let me welcome you back to school this year. My name is Mr. Zindman, and I will be your son/daughter's special education teacher in the area of American History and English Language Arts. I have been a special education teacher in the *Wyandanch School District* for over twenty-one years and I have been an educator for more than twenty-five years.

We will be learning very exciting things this year! In Social Studies we will be learning about American history. We will learn how our country was created and about the many multicultural leaders that have helped shape our great country that we live in today. In English Language Arts, we will be reading some interesting novels, such as *A Long Walk To Water*, by Sue Parker. We will also work on improving our writing skills. We will in compose an argumentative and narrative and essay in class.

I have included a class syllabus that contains my curriculum, grading, and homework policies. You will also find a list of my class supplies.

In order for your child to be successful in my class they will be required to take class notes on a daily basis, participate in class discussions, complete homework assignments in a **timely manner**, and **behave appropriately**. They are also required to bring a pen, three ring binder, and loose-leaf paper on a daily basis. I also recommend a three-ring zipper pencil case to hold you son/daughter's supplies in their binder. All of these items are available at Wal-Mart or Staples for a reasonable cost.

I am thrilled to have the opportunity to work with your child this year. I hope you have the time to drop by school to view our exciting class! Please feel free to contact me to set up an appointment so you can visit our class at any time.

You can access my class activities and homework assignments at my class web page at www.mrzindman.com. I thank you for you support and look forward to meeting with you on our first back to school night!

If you have any questions or concerns about our class, feel free to contact me at school at (631) 870-0525 by appointment or just email me at stevezindman@wufsd.net.

Respectfully,

Mr. Zindman
