

From the Desk of Mr. Zindman

Dear Parents,

Let me welcome you back to school this year. My name is Mr. Zindman, and I will be your son/daughter's special education teacher in the area of American History and English Language Arts. I have been a special education teacher in the *Wyandanch School District* for over twenty-two years and I have been an educator for more than thirty years. I am also thrilled to have the opportunity to work with Ms Elie-Pierre and Ms. Williamson as my teaching assistants. They both are very dynamic educators that I am privileged to work with this year!

We will be learning very exciting things this year! In Social Studies we will be learning about American history. We will learn how our country was created and about the many multicultural leaders that have helped shape our great country that we live in today. In English Language Arts, 7th graders we will be reading some interesting novels, such as *A Long Walk To Water*, by Sue Parker. We will also work on improving our writing skills. 8th grades will be reading, *Fannie Lou Hamer, Fighting For the Right to Vote*. We will in compose an argumentative and narrative and essay in class. In Social Studies we will be learning about United States History. We will learn how to use history to make decisions as an active citizen.

Please vist my web page at www.mrzindman.com. My school web page contains a wealth of information about our class.

In order for your child to be successful in my class they will be required to bring their chromebook to class or sign on to the virtual Google meeting, participate in class discussions, complete homework assignments in a **timely manner**, and **behave appropriately**. They are also required to bring a charged chromebook to class unless they are remotely learning from home. If your child is attending MLO please make sure they wear a mask due to Covid-19 safely rules.

Lastly, you can access all my class activities through Google Classroom and my class web page at www.mrzindman.com. I thank you for you support and look forward to virtually meeting with you on our first back to school night! If you have any questions or concerns about our class, feel free to contact me at school at (631) 870-0525 by appointment or just email me at
